Specific Details

Results you intend to secure

Meeting held with Ministers Denis Naughten and Seán Canney on 7/9/16. The purpose of the meeting was to discuss the potential of extending the natural gas network to Athenry & Longford towns. The benefits of Compressed Natural Gas (CNG) and Renewable gas were also discussed. Following this meeting, a detailed submission was made to Minister Naughten and DCCAE on funding requirements for Mains Infill, Gas Corridors, CNG and Renewable Gas in October. Refer to targeted lobbying activities text

Receive support in relation to policy and support for the expansion of the natural gas network through Infill and Gas Corridors, the development of CNG and Renewable Gas and the need for recognition of the role the gas network can play in a low carbon economy.
